

各位家长、小朋友们:

我园从2014年地球日开始实施的为期四年每周二的专项环保回收活动，在家长环保回收小组大力协助，以及全体家长和小朋友的积极参与下，于2018年地球日圆满结束了。有了四年时间的专项环保回收活动的经验积累，本学期开始我们将开启日常常态化的环保回收活动，在无环保小组协助的情况下，分年级组由孩子、家长、员工自主进行回收活动，自行分类投放，使得环保回收活动更日常化，回收再利用更加便利。具体安排及实施要求如下:

从2018年9月3日起，进行日常常态回收的一个月试行，回收处仍设在门厅原环保回收处，具体安排如下:

每周一: 国内部大班 每周二: 国内部中班
每周三: 国内部小班 每周四: 国际部小班托班
每周五: 国内部中班大班

Dear parents and children,

We have had an environmental awareness program for the last 4 years, and have had great success. It began on Earth Day 2014 and had its last duration finish on Earth Day 2018. One day a week we have had parent volunteers help to organize the materials in the morning. This year we will have the daily recycling activities everyday. Families will organize the items themselves and follow the schedule for their designated recycling day. This new independent system is good practice for daily life routines and is more convenient for the school and families. The specific arrangements and requirements are as follows:

From September 3rd, we will carry out a one month trial. The recycling location will still be in the entrance hallway, detailed arrangements are as follows:

Monday: K2(Domestic section)

Tuesday: K1 (Domestic section)

Wednesday: Nursery (Domestic section)

Thursday: Pre-nursery and Nursery(International section)

Friday: K1 K2 (International section)
