(If you do not see a person with a Newton flag, please wait a few minutes)
- 2) If you are lost at any time or can't find Newton staff, please **call # 18068018813** for assistance.

### 5 STEPS (You will be guided by a Newton staff):

- 1) *Pay 100 RMB health check fee* at the counter and save your receipt (left side of the information table)
- 2) Receive a *health check paper* (in Chinese) at the Children's clinic.
- 3) *All check*, except blood test can be done at the *Children's clinic*.
- 4) The ***blood test is done on the 2nd floor***, accessible by elevator or escalator. You will be guided by a Newton staff there, *but can finish at your child's pace*. **Remember to save the "receipt barcode for blood test"** (Newton staff will direct you how to get back to lobby).

The original health check will be kept at campus for inspections. ***If any results are abnormal Ms. Anna will notify you.***

For those of you who are not driving yourself, there are taxi's available outside the hospital's lobby to your right.

Sincerely,
